Dear OM:
Guess the GRM got me on my last transmission. So to repeat what you might have missed, I'd like to remind you that your CQ subscription is due to expire. In any case, this is our second notice and now you've got only one more issue remaining on your old subscription. I hope you've got me in the mail and read the message OK. It would make things a lot easier for us here at CQ, to continue to give you prompt service with your monthly issue of the magazine if you send in your renewal-Prepaid!
Since we're old friends and you know the magazine well, there's little need for me to tell you on the advantages of renewing your subscription. Obviously, you save money over the newsstand price per copy for the entire year and you're always sure of having a copy delivered right to your doorstep to keep you well informed on the best hobby on the American scene.
So, right now, before you forget, tear off the attached prepaid envelope, fill out the form, stick in your cash, check or money order, seal the thing and drop it in your nearest mailbox.
